

Colour and texture at the service of the senses. Conceived by the Austrian designer Erwin Leo Himmel, this collection has opted for intense colours to imbue the bathroom space with happiness and a free-and-easy air. What is more, its harmonious forms and textured finishes appeal to the most demanding sense of touch. Vincent Gregoire, creative manager of the renowned agency Nelly, has chosen a range of colour schemes to make this series a genuine gift for the senses.

Over countertop vitreous china basin
